

NSPCC

I... I haven't talked to anyone about this. Not sure if I'm making a big deal calling you now, but he wasn't always like this. Maybe it's how kids are today. I just don't want him caught up in something serious and doing something really stupid. I feel like I don't even know my own son anymore. Does any of this make sense to you?

Talk to us before a feeling becomes a problem.
