1. Pupils also registered at an institution included within the Secondary School Performance Tables are excluded.

2. Local authority, region and the total (state-funded sector) figures cover achievements in state-funded alternative provision and pupil referral units only. They do not include pupils recently arrived from overseas. The 'England (alternative provision)' line includes all pupils from state-funded pupil referral units and alternative provision. Alternative provision includes academy and free school alternative provision. The 'England (all schools)' line includes all pupils from state-funded schools, independent schools, independent special schools, non-maintained special schools, hospital schools, pupil referral units and alternative provision.

3. Including entries and achievements in previous academic years.

x Figure has been suppressed due to low numbers (1 or 2 pupils) or where secondary suppression has been applied.

1. Pupils also registered at an institution included within the Secondary School Performance Tables are excluded.
  2. Discounting has been applied where pupils have taken the same subject more than once and only the first entry is counted in these circumstances. Where subjects have been combined into a group (e.g. Other Modern Languages) and a pupil has two or more entries, each result in each subject is counted.
  3. Includes entries and achievements by these pupils in previous academic years.
  4. Grade U refers to pupils' results which are ungraded or unclassified.
  5. Grade X refers to pupils who were absent or whose results are pending.
  6. The English and English Language subject lines may not add up to the overall English figure due to rounding.
  7. English Language includes entries and achievements in legacy 'English' GCSEs.
  8. Computer science includes all computer science qualifications and is not limited to just those located on the science pillar of the EBacc.
  9. Includes Double Award Science and Applied Science.
  10. Includes all other combined syllabus of which Design and Technology is the major part.
  11. Also includes Computer Studies, Information Systems and any combined syllabus of which Information Technology is the major part.

1. Pupils also registered at an institution included within the Secondary School Performance Tables are excluded.

2. BTEC and OCR qualifications awarded as part of the Qualifications and Credit Framework (QCF) are included in their respective BTEC and OCR qualification categories.

3. In 2014/15, early entry policy, under which only a pupil's first attempt at a qualification is counted in performance measures, is extended to all subjects (see SFR quality and methodology document).

4. No entry level qualifications are counted in 2014/15.

5. It is possible to achieve a level 1 or level 2 in these qualifications. For the purpose of this table, they have been deemed as level 2 qualifications.

6. Approved level 1/2 certificates that are not classed as established IGCSEs. Established IGCSE qualifications are defined as accredited versions of qualifications which were being offered as 'IGCSE' and were being taken in independent or international schools before June 2010.

. Qualification does not exist at this level.
